I would certainly be available to talk with Ms. Sundberg at 10 on Monday. We can use my call-in info if that would facilitate the call.

We are committed to service excellence.  
Visit our survey at <http://dnr.wi.gov/customersurvey> to evaluate how I did.

Subject: Tower - Off site property owner

FYI. I reached out to Lisa Sundberg today and she has yet to hear from LDF and was wondering why it is taking so long to clean up her property. I gave her brief storyline about LDF approach and reminded her I work for the old gas station owner and I offered her an opportunity to speak directly with WDNR and EPA. She is available for conf call Monday at 10 am central. She was concerned with the lack of progress especially knowing funding is currently available but time is running out.

Who is available for call Monday morning at 10?
